PREVENTIVE MAINTENANCE

- ▶ Consistent, reliable, high quality work across our service network
- ▶ Maintenance events include Oil and Filter, Fuel Filter, Fuel-Water Separator Filter and 43+ point inspection.
- ▶ Coverage also includes valve lash, DEF pump filter, transmission fluid and filter, and DPF replacement / cleaning at appropriate intervals

UPTIME ADVOCATE

This is your dedicated resource to orchestrate and expedite your service and repair events including:

- ▶ Review repair history and identify open campaigns or calibration updates with the service location.
- ▶ Coordinate technical and field support and facilitate expedited parts shipments when needed
- ▶ Help facilitate timely communications and service progress updates to keep you informed

PROACTIVE SERVICE PLANNING

Our team will use remote vehicle health and performance data to support you in planning service events.

- ▶ You will receive communication in advance of upcoming service and maintenance needs
- ▶ We will coordinate with you to schedule service at a time and location that minimizes disruption to your operations
- ▶ This proactive approach will lead to FEWER and FASTER service events during your ownership cycle

EXTENDED SERVICE COVERAGE

- ▶ Powertrain coverages to protect your S13 Integrated engine, T14 transmission, and aftertreatment
- ▶ Option to add complete chassis coverage, including electrical, cooling, suspension systems, and more
- ▶ All plans come with a guaranteed \$0 deductible, 100% parts and labor coverage, and NO claims maximums, and are transferable to second owners

TOWING COVERAGE

- ▶ Protects you and reduces out-of-pocket expenses in the event of a warrantable roadside failure. Covers up to \$1,100 per event.
